

## International Ministries of Hope, Inc.

Bringing the Water of Life to La Gonave, Haiti

“Plant a Seed ~ Grow a Village”

Winter 2026 Newsletter

Dear Friends,

Thank you for your contribution during one of the most difficult years in our ministry. International Ministries of Hope, Inc. (IMOH) is grateful for your faithful support to help the children of La Gonave, Haiti. Your generosity sustains our mission to share the Gospel of Jesus Christ and care for children in need.

Because of supporters like you, we raised **\$31,750** last year—meeting the **\$15,000 matching challenge**—which allowed us to feed our students for the entire school year. We thank the anonymous donor who presented the challenge and all who gave. We praise God for His people and His provision!

Your support provided education, meals, and water for many children in the community of Anse-à-Galets. Lives were touched, and families experienced a better standard of living. Most importantly, the Gospel continues to be shared with countless amounts of families. God’s love is proclaimed and many continue to hear about Jesus! We have included photos of children still in need of sponsorship and will notify you when they all are chosen.

This year, we are raising funds for a **water treatment system** to purify water from the large cistern built a few years ago. It is vital that children have access to safe, clean water. Your help with this project will directly protect their health and well-being.

We also remember our dear brother **Mark Sutton**, who went to be with the Lord last week. He faithfully served since 2007 and was a vital part of this ministry. Please pray for his wife, Donna.

Our website is currently being rebuilt. If you feel led to make a tax-deductible donation, please use the enclosed envelope. Your partnership continues to make a tremendous impact.

We are deeply grateful for your compassion, prayers, and commitment to this ministry.

With gratitude and blessing,

Pastor Benis and Dominique Guerrier
